"School Days"

School History

As we look over the past years, we see many records in our album. The first records were left by the men and women who built the first one and two-teacher schools in the Pleasant Grove Township. These people may be justly proud of their records of knowledge in our album, but in the hearts of these leaders was a dream of a large, consolidated, rural school. The second records were made in 1922 when five one and two-teacher rural schools, Mahan, Sidney, Squires, McCray, and King, joined together and became one school - Pleasant Grove. At the beginning of the school year, only two rooms were completed; however, the next year the other two rooms and a wooden auditorium were finished. Due to a misunderstanding among the patrons, the high school students in 1924 were moved to Haw River School; this change was only temporary, because the high school students were returned to Pleasant Grove in 1925.

The next few years added many important records in the history of the school; four more rooms were added to the building in 1928. The Parent-Teachers' Association, organized in 1929, has truly left many records by performing many, beneficial services for us. In 1931 Union Ridge and Hickory Grove were joined to Pleasant Grove. In 1933 the school's first lunch room

was operated, and in 1934 courses in home economics and agriculture were offered. A separate building was built for the agricultural department in 1936. Literary records were made when the library was established in the main building in 1937. The next records were left by those who visualized future needs of the school and in 1942 bought three acres of land. In 1946 the lunchroom and kitchen were enlarged and modern equipment purchased. In 1953 a large educational record was made - the erection of a new, modern building, including a gymnasium, home economics department, library and cafeteria. In 1955, the county board of education made another important record by purchasing ten acres of land for a playground.

We feel grateful for the educational heritage we have received not only for the land, buildings, and equipment, but also for the knowledge acquired, the standards of character developed, and the friendships made. As we take our places in the community, we shall consider it our privilege to maintain the educational advantages provided for us because of others' efforts and to increase and to present more and better opportunities to the next generation so that we, too, may leave educational records for the next generation.

"Sincerely"

Dedication

In making our record album during our four years of high school, we have been influenced by one who has lived well, laughed often, and loved much; one who has gained the respect and love of high school students; one who has always looked for the best in others and given the

best she has. To one who has helped to make our eyes to see, our ears to hear, our minds to think, and our hearts to understand - We, the seniors of 1957, gratefully dedicate our AMO-ENA to our home room teacher and friend - Mrs. W. Albert Graham.

Cutting their last record at Pleasant Grove for their high school record album, the Seniors found their last year filled with wonderful and stimulating experiences. Early in the year the Seniors elected their mascots, superlatives, and Amo-ena Staff. At the first of the year, the Seniors began working on their major literary project - this volume of the Amo-ena. In the amateur program, Bobby Berry participated; and Kenneth Sumner, Glendale Dickey, Larry Jones, Neil Carey and Donnie Page were initiated into the Monogram Club. Nine Seniors, Neil Carey, Opal Tilley, Lila Walker, Glendale Dickey, Larry Jones, Rachel Boswell, Kenneth Sumner, Dottie Staunton, and Kayo Page re-

ceived their sweaters representing the various sports in which they participated.

As this goes to press, the Seniors and Juniors are planning a joint trip to our Nation's Capital, Washington, D. C.

The Christmas party at school, the New Year's Eve party, the practice for the Senior play, the fun and romance of the Junior-Senior Banquet, the ordering and mailing of invitations, and the final examinations brought the Seniors to their final record - graduation, the goal of these twelve years. May their individual records in life be a credit to their Alma Mater!

The Juniors made a large, impressive record for their album. Many people were responsible for the finished record. Among them were Larrell Forbis, as president of the Monogram Club, Margaret Walker as president of the Library Club, David Cobb as Amo-ena staff representative, Barbara Poteat as Student Council representative from the Library Club, Sally Cook and Carolyn Anderson as Junior Class representatives to Student Council, and Vanda Bowman as Secretary of the Student Council, Glenda Squires as Historian of the Future Teachers' Club, Sandra McKinney as president of the Glee Club, and Gayle Tate as secretary of the Glee Club. We were very proud to have Sandra McKinney and Barbara Poteat elected

as cheerleaders from our room.

But all our record has not been work; during the fall, Glenda Faye entertained the class with a party and dance at the Moose Lodge. On Halloween night, Faye Cobb and Flora Stokes were hostesses at a wiener roast and party. On Margaret Walker's birthday, Barbara Poteat invited the class to Gant's Packbarn for a surprise birthday celebration, which included games and dancing. In January the Juniors made their important decision about their rings and will long remember the happy day they arrived. As a climax to the year was the Junior-Senior Banquet, the beauty and program of which they will never forget.

With high hopes of achieving a successful record, the forty Sophomores entered into the classes and the activities of high school. Glenda Foust served as treasurer and Peggy Page as Class Representative to the Student Council. Glenda Foust was chosen Sophomore cheerleader. Glenda Foust was elected as representative to the Amo-ena staff and did her part in preparation of this book. All was not work in this class, however; as Becky Small, Peggy Page, Barry Pender, and Haywood Shue were chosen for the Varsity basketball team.

The class presented "The Christmas Pageant of the Holy Grail" for the Christmas chapel program. Many of the Sophomores belonged to the Library Club and Glee Club. Barry Pender, Haywood Shue, Odis Warren, Becky Small, and Glenda Foust were initiated into the Monogram Club. The Sophomores continued throughout the year, taking part in all school projects; however, their main purpose in school was to acquire knowledge to help them in the future.

On September 4, 1956, forty-nine bewildered Freshmen started their first year in high school. They soon began to move from class to class with ease and became accustomed to high school ways. They selected Mac Bowman for the Amo-ena Staff. Martha Bradsher, Trina Riggan, Kay Squires, and Mary Catherine Wellons became library assistants. Many of the Freshmen girls joined the Glee Club. Johnny Page was selected Student Council Repre-

sentative. Jacky Lewis was chosen Freshman cheerleader. In the amateur program Bobby Gilliam won for singing and playing the guitar. As a group the Freshmen class went to the Raleigh Fair. Although it was bad weather, they had fun. Many won teddy bears. As the year came to a close, when their record was finished, the Freshmen were recognized as able and willing students and leaders.

"My Gift To You"

Amo-ena Staff

On this page are the people who have worked hard to make this 1957 Amo-ena possible; their work began in October with a few sheets of paper and few ideas; their work ended on that happy day in May when you received your yearbook. The Amo-ena was a project of the senior class with representatives from the other classes. Each class did its share of taking pictures and writing copy. Our purpose has been to publish a yearbook of high scholastic and literary value and to present for you a true picture of your school year 1956-57, which we hope will become one of your most cherished possessions.
